LEADING THE WAY IN THE INNER CITY!

Cllr John Gallagher and Anne Doyle on their way to launch the Liberties Festival.

Vote **1** John Gallagher

“The local and European elections on Friday 5th June 2009 are crucial elections. If you are worried about people losing their jobs or losing their homes, then use your vote to send a message to the Government about how badly they are running this country.

Now more than ever, Dublin 8 needs someone like **John Gallagher** on Dublin City Council – a person with integrity who has a track record of delivering for people across the south west inner city. ”

Message from Mary Upton TD

John Gallagher is a vital part of my team in Dublin South Central and in Dublin 8 in particular.

As Councillor, John has achieved a great deal for the people of the Liberties, Rialto, Inchicore and the south west inner city. This leaflet outlines John's exciting plans for the future – how John will campaign for better housing, a cleaner environment and how he will improve the quality of life for people in Dublin 8.

I support John's call for a new city park in the Dolphin's Barn area so that young families from that area and from Kilmainham, Rialto, South Circular Road and the Tenters have a safe place to bring their children.

Now more than ever, John Gallagher needs your vote on Friday, 5th June 2009 and I strongly ask you to support him.

Yours sincerely

Mary Upton
